Explanations	

As publicly disclosed in our material event disclosure dated 22 February 2025, KMT Teknolojik ve Finansal Yatırımlar A.Ş. ("**KMT Yatırım**") has been established with equal shareholding by Mr. Sami Aslanhan, the Chairman of the Board of Directors, and Mr. Ömer Ünsalan, the Vice Chairman of the Board of Directors, who are both shareholders of our Company, Kontrolmatik Teknoloji Enerji ve Mühendislik A.Ş. ("**Kontrolmatik**").

As part of our efforts to secure international financing opportunities on more favorable terms in the medium to long term , KMT Yatırım acquired a total of 45,500,000 Kontrolmatik shares— 22,750,000 from Sami Aslanhan and 22,750,000 from Ömer Ünsalan— on 06 May 2025. These shares are not publicly traded on Borsa Istanbul and represent 7% of Kontrolmatik's total issued capital.

This share transfer is an internal transaction carried out by Sami Aslanhan and Ömer Ünsalan within KMT Yatırım and does not result in any change in our company's indirect shareholding structure. This step has been planned as part of our international financing efforts and aims to strengthen the existing structure.

This Material Event Disclosure has been prepared in Turkish and English, and in case of any conflict between the two statements, the Turkish version shall prevail.

This announcement is presented for the information of the public and our investors.

Kind Regards,

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
